

Fall Home Checklist

A LITTLE PREP NOW GOES
A LONG WAY LATER

As the seasons change, a few simple tasks can help keep your home comfortable, efficient and ready for the months ahead. Use this fall checklist to protect your investment and enjoy a cozy, worry-free season.

- ☐ **Clean Gutters**
Remove leaves and debris to prevent water damage.

- ☐ **Inspect the Roof**
Check for loose or damaged shingles and schedule repairs if needed.

- ☐ **Seal Windows & Doors**
Look for drafts and refresh weatherstripping or caulk to keep warm air in.

- ☐ **Service HVAC**
Change filters and schedule maintenance for efficient, reliable heating.

- ☐ **Prep Fireplaces**
Clean and inspect fireplaces and chimneys before the first fire.

- ☐ **Winterize Irrigation**
Adjust or shut down outdoor watering to protect your system.

- ☐ **Tidy the Landscape**
Prune trees and shrubs, clear fallen leaves and refresh garden beds.

- ☐ **Check Exterior Lighting**
Replace burnt-out bulbs for safety and added curb appeal as days get darker.

- ☐ **Protect Outdoor Spaces**
Clean and cover furniture, fire pits and hardscapes to keep them in great shape.

- ☐ **Plan Your Next Project**
Fall is the perfect time to start dreaming and designing your next home improvement.
